Book Discussion

Have you heard about our book discussion group at the Senior Center and the fun we have been having reading and talking about books? The group meets at the Center at 10:30 a.m. on the fourth Wednesday of the month. We alternate discussing a particular book one month and everyone sharing books they have read the next month. This allows people to both learn about books they might be interested in reading and to give their opinions of a book everyone has read.

Please come and share your favorites or just bring a pencil and paper to take notes on new books.
