**TOWN OF LEDYARD, CONNECTICUT**

**SUMMARY SCOPE  
FOR  
TRASH AND RECYCLING COLLECTION SERVICES**

**PROPOSAL #2019-06**

The Town of Ledyard seeks as a baseline for this proposal continuation of the curbside and municipal collection services that are currently being provided. The scope of these services includes the curbside collection of municipal solid waste (trash), recyclables, and bulky waste, as well as the collection of municipal waste and recyclables at various Town and Board of Education buildings and properties. The detailed specifications for these services are delineated in the specifications section.

The term of the Contract under this proposal is the three (3) years from July 1, 2019 through June 30, 2022, with an option for three (3) additional years from July 1, 2022 through June 30, 2025. Proposers shall provide costs for each of the six (6) years individually, according to the instructions on the proposal form.

In addition to the baseline proposal, the Town will receive alternative proposals. While the baseline specifications delineate requirements that are largely non-negotiable, the Town of Ledyard recognizes that many proposers will likely have considerable experience in implementing other approaches and that they may have ideas and suggestions that will work very well for the Town. Any such alternative proposals must meet the complete essence of the baseline scope of work, must include a complete breakdown of costs, and are subject to negotiation in tailoring the service to the needs and interests of the Town.

Because this is a request for proposals, it is anticipated that further clarifications and/or negotiations will commence with one or more proposers before the final decision for award is made.

**END OF SUMMARY SCOPE**

**TOWN OF LEDYARD, CONNECTICUT**

**STANDARD INSTRUCTIONS TO PROPOSERS**

**1. INTRODUCTION**

The Town of Ledyard (the “Town”) is soliciting proposals for **Trash and Recycling Collection Services**. This RFP is not a contract offer, and no contract will exist unless and until a written contract is signed by the Town and the successful proposer.

Interested parties should submit a proposal in accordance with the requirements and directions contained in this RFP. **Proposers are prohibited from contacting any Town employee, officer or official concerning this RFP, except as set forth in Section 6, below. A proposer’s failure to comply with this requirement may result in disqualification.**

If there are any conflicts between the provisions of these Standard Instructions to Proposers and any other documents comprising this RFP, these Standard Instructions to Proposers shall prevail.

**2. RIGHT TO AMEND OR TERMINATE THE RFP OR CONTRACT**

The Town may, before or after proposal opening and in its sole discretion, clarify, modify, amend or terminate this RFP if the Town determines it is in the Town’s best interest. Any such action shall be effected by a posting on the Town’s website, <http://ledyardct.org/88/Request-for-Proposals-Bids> . **Each proposer is responsible for checking the Town’s website to determine if the Town has issued any addenda and, if so, to complete its proposal in accordance with the RFP as modified by the addenda.**

If this RFP provides for a multi-year agreement, the Town also reserves the right to terminate the Contract at the end of the last fiscal year for which funds have been appropriated, and the Town shall have no obligation or liability to the successful proposer for any unfunded year or years. In addition, termination based on performance issues is addressed in Paragraph 26-u.

**3. KEY DATES**

Pre-Proposal Conference or Site Visit:	None
Proposal Opening:	March 21, 2019
Interviews of one or more proposers (if deemed necessary):	Week of April 1
Preliminary Notice of Award:	April 11, 2019
Contract Execution:	April 23, 2019

The Preliminary Notice of Award and Contract Execution dates are anticipated, not certain, dates.

**4. OBTAINING THE RFP**

All documents that are a part of this RFP may be obtained at the Town’s Website: <http://ledyardct.org/88/Request-for-Proposals-Bids>

## 5. PROPOSAL SUBMISSION INSTRUCTIONS

Proposals must be received in the Ledyard Town Hall, Mayor's Office, 741 Colonel Ledyard Highway, Ledyard, CT 06339, prior to the date and time the proposals are scheduled to be opened publicly. Postmarks prior to the opening date and time do **NOT** satisfy this condition for proposals not physically received in Town Hall by the bid opening. The Town will not accept submissions by e-mail or fax. Proposers are solely responsible for ensuring timely delivery. The Town will **NOT** accept late proposals.

One (1) original and two (2) copies of all proposal documents must be submitted in sealed, opaque envelopes clearly labeled with the proposer's name, the proposer's address, the words "**PROPOSAL DOCUMENTS,**" and the **Proposal Title, Proposal Number and Proposal Opening Date**. The Town may decline to accept proposals submitted in unmarked envelopes that the Town opens in its normal course of business. The Town may, but shall not be required to, return such proposal documents and inform the proposer that the proposal documents may be resubmitted in a sealed envelope properly marked as described above.

Proposal prices must be submitted on the Proposal Form included in this RFP. All blank spaces for proposal prices must be completed in ink or be typewritten; proposal prices must be stated in both words and figures. The person signing the Proposal Form must initial any errors, alterations or corrections on that form. Ditto marks or words such as "SAME" shall not be used in the Proposal Form.

Proposals may be withdrawn personally or in writing provided that the Town receives the withdrawal prior to the time and date the proposals are scheduled to be opened. Proposals are considered valid, and may not be withdrawn, cancelled or modified, for sixty (60) days after the opening date, to give the Town sufficient time to review the proposals, investigate the proposers' qualifications, secure any required municipal approvals, and execute a binding contract with the successful proposer.

An authorized person representing the legal entity of the proposer must sign the Proposal Form and all other forms included in this RFP.

## 6. QUESTIONS AND AMENDMENTS

Questions concerning the process and procedures applicable to this RFP are to be submitted **in writing** (including by e-mail or fax) and directed **only to**:

Name: Marcia Hancock  
Department: Finance  
E-Mail: [finance.director@ledyardct.org](mailto:finance.director@ledyardct.org)  
Fax: 860-464-1126

Questions concerning this RFP's Specifications are to be submitted **in writing** (including by e-mail or fax) and directed **only to**:

Name: Steve Masalin  
Department: Public Works  
E-mail: [pwd@ledyardct.org](mailto:pwd@ledyardct.org)  
Fax: 860-464-1126

**Proposers are prohibited from contacting any other Town employee, officer or official concerning this RFP. A proposer's failure to comply with this requirement may result in disqualification.**

The appropriate Town representative listed above must receive any questions from proposers no later than close of business Wednesday, March 13, 2019. The Town will answer all written questions by issuing one or more addenda, which shall be a part of this RFP and the resulting Contract, containing all questions received as provided for above and decisions regarding same.

By close of business on Monday, March 18, the Town will post any addenda on the Town's website, <http://ledyardct.org/88/Request-for-Proposals-Bids>. **Each proposer is responsible for checking the website to determine if the Town has issued any addenda and, if so, to complete its proposal in accordance with the RFP as modified by the addenda.**

No oral statement of the Town, including oral statements by the Town representatives listed above, shall be effective to waive, change or otherwise modify any of the provisions of this RFP, and no proposer shall rely on any alleged oral statement.

**7. ADDITIONAL INFORMATION**

The Town reserves the right, either before or after the opening of proposals, to ask any proposer to clarify its proposal or to submit additional information that the Town in its sole discretion deems desirable.

**8. COSTS FOR PREPARING PROPOSAL**

Each proposer's costs incurred in developing its proposal are its sole responsibility, and the Town shall have no liability for such costs.

**9. OWNERSHIP OF PROPOSALS**

All proposals submitted become the Town's property and will not be returned to proposers.

**10. FREEDOM OF INFORMATION ACT**

All information submitted in a proposal or in response to a request for additional information is subject to disclosure under the Connecticut Freedom of Information Act as amended and judicially interpreted. A proposer's responses may contain financial, trade secret or other data that it claims should not be public (the "Confidential Information"). A proposer must identify specifically the pages and portions of its proposal or additional information that contain the claimed Confidential Information by visibly marking all such pages and portions. Provided that the proposer cooperates with the Town as described in this section, the Town shall, to the extent permitted by law, protect from unauthorized disclosure such Confidential Information.

If the Town receives a request for a proposer's Confidential Information, it will promptly notify the proposer in writing of such request and provide the proposer with a copy of any written disclosure request. The proposer may provide written consent to the disclosure or may object to the disclosure by notifying the Town in writing to withhold disclosure of the information, identifying in the notice the basis for its objection, including the statutory exemption(s) from disclosure. The proposer shall be responsible for defending any complaint brought in connection with the nondisclosure, including appearing before the Freedom of Information Commission, and providing witnesses and documents as appropriate.

**11. REQUIRED DISCLOSURES**

Each proposer must, in its Proposal Form, make the disclosures set forth in that form. A proposer's acceptability based on those disclosures lies solely in the Town's discretion.

**12. QUALIFICATIONS and REFERENCES**

Each proposer must complete and submit the Proposer's Statement of Qualifications/References form included in this RFP.

**13. LEGAL STATUS**

If a proposer is a corporation, limited liability company, or other business entity that is required to register with the Connecticut Secretary of the State's Office, it must have a current registration on file with that office. The Town may, in its sole discretion, request acceptable evidence of any proposer's legal status. Each proposer must complete and submit the Proposer's Legal Status Disclosure form included in this RFP.

**14. PROPOSAL (BID) SECURITY**

Each proposal must be accompanied by a certified check of the proposer or a proposal (bid) bond with a surety acceptable to the Town in the amount of \$15,000 (fifteen thousand dollars). The proposal (bid) bond shall be written by a company or companies licensed to issue bonds in the State of Connecticut, which company or companies shall have at least an "A-" VIII policyholders rating as reported in the latest edition of Best Publication's Key Rating Guide. The successful proposer, upon its refusal or failure to execute and deliver the Contract, certificate(s) of insurance, W-9 form, performance security or other documents required by this RFP within **ten (10) business days** of written notification of preliminary award, unless the Town otherwise agrees in writing, shall forfeit to the Town, as liquidated damages for such failure or refusal, the security submitted with its proposal.

Upon the successful proposer's execution of the Contract in the form enclosed with this RFP, the Town shall return the proposal security to the successful proposer and to all other proposers.

**15. PRESUMPTION OF PROPOSER'S FULL KNOWLEDGE**

Each proposer is responsible for having read and understood each document in this RFP and any addenda issued by the Town. A proposer's failure to have reviewed all information that is part of or applicable to this RFP, including any addenda posted on the Town's website, shall in no way relieve it from any aspect of its proposal or the obligations related thereto.

Each proposer is deemed to be familiar with and is required to comply with all federal, state and local laws, regulations, ordinances, codes and orders that in any manner relate to this RFP or the performance of the work described herein.

By submitting a proposal, each proposer represents that it has thoroughly examined and become familiar with the scope of work outlined in this RFP, and it is capable of performing the work to achieve the Town's objectives. If applicable, each proposer shall visit the site, examine the areas and thoroughly familiarize itself with all conditions of the property before preparing its proposal.

**16. SUBSTITUTION FOR NAME BRANDS**

***THIS ITEM IS NOT APPLICABLE TO THIS RFP.***

**17. TAX EXEMPTIONS**

The Town is exempt from the payment of federal excise taxes and Connecticut sales and use taxes.

**18. INSURANCE**

The successful proposer shall, at its own expense and cost, obtain and keep in force at least the insurance listed in the Insurance Requirements that are a part of this RFP. The Town reserves the right to request from the successful proposer a complete, certified copy of any required insurance policy.

**19. PERFORMANCE SECURITY**

The successful proposer shall furnish annually to the Town a Performance Security equal to the annual contract price, covering the faithful performance of the Contract (the "Performance Security"). The Performance Security shall be in a form reasonably acceptable to the Town.

If the Performance Security is a performance bond, it shall be issued by a company licensed by the State of Connecticut that has at least an "A-" VIII policyholders rating according to Best Publication's latest edition Key Rating Guide. The cost of the Performance Security shall be included in the proposal price.

In addition to the Performance Security, the successful proposer shall furnish a bond covering the successful proposer's payment to its subcontractors and suppliers of all obligations arising under the Contract (the "Payment Bond"). The Payment Bond shall be (a) in the full amount of the Contract price; (b) in a form reasonably acceptable to the Town; and (c) issued by a company licensed by the State of Connecticut that has at least an "A-" VIII policyholders rating according to Best Publication's latest edition Key Rating Guide. The cost of the Payment Bond shall be included in the proposal price.

**20. DELIVERY ARRANGEMENTS**

***THIS ITEM IS NOT APPLICABLE TO THIS RFP.***

**21. AWARD CRITERIA; SELECTION; CONTRACT EXECUTION**

All proposals will be publicly opened and read aloud as received on the date, at the time, and at the place identified in this RFP. Proposers may be present at the opening.

The Town reserves the right to correct, after proposer verification, any mistake in a proposal that is a clerical error, such as a price extension, decimal point error or FOB terms. If an error exists in an extension of prices, the unit price shall prevail. In the event of a discrepancy between the price quoted in words and in figures, the words shall control.

The Town reserves the rights to accept all or any part of a proposal, reject all proposals, and waive any informalities or non-material deficiencies in a proposal. The Town also reserves the right, if applicable, to award the purchase of individual items under this RFP to any combination of separate proposals or proposers.

The Town will accept the proposal that, all things considered, the Town determines is in its best interests. Although price will be an important factor, it will not be the only basis for award. Due consideration may also be given to a proposer's experience, references, service, ability to respond promptly to requests, past performance, and other criteria relevant to the Town's interests, including compliance with the procedural requirements stated in this RFP.

The Town will not award the proposal to any business that or person who is in arrears or in default to the Town with regard to any tax, debt, contract, security or any other obligation.

The Town will select the proposal that it deems to be in the Town's best interest and issue a Preliminary Notice of Award to the successful proposer. The award may be subject to further discussions with the proposer. **The making of a preliminary award to a proposer does not provide the proposer with any rights and does not impose upon the Town any obligations. The Town is free to withdraw a preliminary award at any time and for any reason. A proposer has rights, and the Town has obligations, only if and when a Contract is executed by the Town and the proposer.**

If the proposer does not execute the Contract within ten (10) business days of the date of the Preliminary Notice of Award, unless extended by the Town, the Town may call any proposal security provided by the proposer and may enter into discussions with another proposer.

The Town will post the Preliminary Notice of Award and related information on its website, <http://ledyardct.org/88/Request-for-Proposals-Bids>

The Preliminary Notice of Award and Contract Execution dates in Section 3's Key Dates are anticipated, not certain, dates.

## **22. AFFIRMATIVE ACTION, AND EQUAL OPPORTUNITY**

Each proposer must submit a completed Proposer's Certification Concerning Equal Employment Opportunities and Affirmative Action Policy form included with this RFP. Proposers with fewer than ten (10) employees should indicate that fact on the form and return the form with their proposals.

## **23. NONRESIDENT REAL PROPERTY CONTRACTORS**

***THIS ITEM IS NOT APPLICABLE TO THIS RFP***

## **24. COMPLIANCE WITH IMMIGRATION LAWS**

By submitting a proposal, each proposer confirms that it has complied, and during the term of the Contract will comply, with the Immigration Reform and Control Act ("IRCA") and that each person it provides under the Contract will at all times be authorized for employment in the United States of America. Each proposer confirms that it has a properly completed Employment Eligibility Verification, Form I-9, for each person who will be assigned under the Contract and that it will require each subcontractor, if any, to confirm that it has a properly completed Form I-9 for each person who will be assigned under the Contract.

The successful proposer shall defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the "Town Indemnified Parties"), against any and all

proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including fines, penalties, punitive damages, attorney's fees and costs, brought or assessed against, or incurred by, the Town Indemnified Parties related to or arising from the obligations under IRCA imposed upon the successful proposer or its subcontractor. The successful proposer shall also be required to pay any and all attorney's fees and costs incurred by the Town Indemnified Parties in enforcing any of the successful proposer's obligations under this provision, whether or not a lawsuit or other proceeding is commenced, which obligations shall survive the termination or expiration of the Contract.

**25. NON-COLLUSION AFFIDAVIT**

Each proposer shall submit a completed Proposer's Non-Collusion Affidavit that is part of this RFP.

**26. CONTRACT TERMS**

The following provisions will be mandatory terms of the Town's Contract with the successful proposer. If a proposer is unwilling or unable to meet any of these Contract Terms, the proposer must disclose that inability or unwillingness in its Proposal Form (see Section 11 of these Standard Instructions to Proposers):

a. DEFENSE, HOLD HARMLESS AND INDEMNIFICATION

The successful proposer agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Town, its employees, officers, officials, agents, volunteers and independent contractors, including any of the foregoing sued as individuals (collectively, the "Town Indemnified Parties"), from and against all proceedings, suits, actions, claims, damages, injuries, awards, judgments, losses or expenses, including attorney's fees, arising out of or relating, directly or indirectly, to the successful proposer's malfeasance, misconduct, negligence or failure to meet its obligations under the RFP or the Contract. The successful proposer's obligations under this section shall not be limited in any way by any limitation on the amount or type of the successful proposer's insurance.

Nothing in this section shall obligate the successful proposer to indemnify the Town Indemnified Parties against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of the Town Indemnified Parties.

In any and all claims against the Town Indemnified Parties made or brought by any employee of the successful proposer, or anyone directly or indirectly employed or contracted with by the successful proposer, or anyone for whose acts or omissions the successful proposer is or may be liable, the successful proposer's obligations under this section shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by the successful proposer under workers' compensation acts, disability benefit acts, or other employee benefits acts.

The successful proposer shall also be required to pay any and all attorney's fees incurred by the Town Indemnified Parties in enforcing any of the successful proposer's obligations under this section, which obligations shall survive the termination or expiration of this RFP and the Contract.

**As a municipal agency of the State of Connecticut, the Town will NOT defend, indemnify, or hold harmless the successful proposer.**

b. ADVERTISING

The successful proposer shall not name the Town in its advertising, news releases, or promotional efforts without the Town's prior written approval.

If it chooses, the successful proposer may list the Town in a Statement of References or similar document required as part of its response to a public procurement. The Town's permission to the successful proposer to do so is not a statement about the quality of the successful proposer's work or the Town's endorsement of the successful proposer.

c. W-9 FORM

The successful proposer must provide the Town with a completed W-9 form before Contract execution.

d. PAYMENTS

Billing to the Town shall be submitted monthly by the Contractor. The monthly payments will be determined by dividing by twelve (12) the annual cost for the particular year, adjusted to incorporate any contract changes. The Town will pay the Contractor the billed amount less any liquidated damages or costs within thirty (30) days after billing. The Town reserves the right to submit payments by electronic payment.

e. TOWN INSPECTION OF WORK

The Town may inspect the successful proposer's work at all reasonable times. This right of inspection is solely for the Town's benefit and does not transfer to the Town the responsibility for discovering patent or latent defects. The successful proposer has the sole and exclusive responsibility for performing in accordance with the Contract.

f. REJECTED WORK OR MATERIALS

The successful proposer, at its sole cost and expense, shall remove from the Town's property rejected items, commodities and/or work within 48 hours of the Town's notice of rejection. Immediate removal may be required when safety or health issues are present.

g. MAINTENANCE AND AVAILABILITY OF RECORDS

The successful proposer shall maintain all records related to the work described in the RFP for a period of five (5) years after final payment under the Contract or until all pending Town, State and Federal audits are completed, whichever is later. Such records shall be available for examination and audit by Town, state and federal representatives during that time.

h. SUBCONTRACTING

Prior to entering into any subcontract agreement(s) for the work described in the Contract, the successful proposer shall provide the Town with written notice of the identity (full legal name, street address, mailing address [if different from street address], and telephone number) of each proposed subcontractor. The Town shall have the right to object to any proposed subcontractor by providing the successful proposer with written notice thereof

within seven (7) business days of receipt of all required information about the proposed subcontractor. If the Town objects to a proposed subcontractor, the successful proposer shall not use that subcontractor for any portion of the work described in the Contract. If known, proposers must clearly state their intention to subcontract in their proposal; the identity of all subcontractors shall be included in the proposal.

All permitted subcontracting shall be subject to the same terms and conditions as are applicable to the successful proposer. The successful proposer shall remain fully and solely liable and responsible to the Town for performance of the work described in the Contract. The successful proposer also agrees to promptly pay each of its subcontractors within thirty (30) days of receipt of payment from the Town or otherwise in accordance with law. The successful proposer shall assure compliance with all requirements of the Contract. The successful proposer shall also be fully and solely responsible to the Town for the acts and omissions of its subcontractors and of persons employed, whether directly or indirectly, by its subcontractor(s).

i. PREVAILING WAGES

j. PREFERENCES

***THIS ITEM IS NOT APPLICABLE TO THIS RFP***

k. WORKERS COMPENSATION

***THIS ITEM IS NOT APPLICABLE TO THIS RFP***

l. SAFETY

***THIS ITEM IS NOT APPLICABLE TO THIS RFP"***

m. COMPLIANCE WITH LAWS

The successful proposer shall comply with all applicable laws, regulations, ordinances, codes and orders of the United States, the State of Connecticut and the Town related to its proposal and the performance of the work described in the Contract.

n. LICENSES AND PERMITS

The successful proposer certifies that, throughout the Contract term, it shall have and provide proof of all approvals, permits and licenses required by the Town and/or any state or federal authority. The successful proposer shall immediately and in writing notify the Town of the loss or suspension of any such approval, permit or license.

o. CESSATION, SALE, OR TRANSFER OF BUSINESS/BANKRUPTCY/RECEIVERSHIP

If the successful proposer ceases to exist, dissolves as a business entity, transfers all or a portion of the contracted service to another business entity, ceases to operate, files a petition or proceeding under any bankruptcy or insolvency laws or has such a petition or proceeding filed against it, the successful proposer shall notify the Town at the earliest point any of such proceedings are intended. The Town has the right to work with the successful proposer or his agents in effecting any and all possible measures necessary to maintain service under the Contract terms, and the Town alternatively reserves the right to

terminate the Contract. In the event of termination, the Town reserves the right, in its sole discretion as it deems appropriate and without prior notice to the successful proposer, to make arrangements with another person or business entity to provide the services described in the Contract.

p. AMENDMENTS

The Contract may not be altered or amended except by the written agreement of both parties.

q. ENTIRE AGREEMENT

It is expressly understood and agreed that the Contract contains the entire agreement between the parties, and that the parties are not, and shall not be, bound by any stipulations, representations, agreements or promises, oral or otherwise, not printed or inserted in the Contract or its attached exhibits.

r. VALIDITY

The invalidity of one or more of the phrases, sentences or clauses contained in the Contract shall not affect the remaining portions so long as the material purposes of the Contract can be determined and effectuated.

s. DISPUTES

Any dispute arising hereunder, except with respect to any sums allegedly owing the Contractor by the Town, shall be settled by arbitration in accordance with the rules of the American Arbitration Association and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. Such controversy or claim shall be submitted to three (3) arbitrators selected from the national panel of the American Arbitration Association and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. Such controversy or claim shall be submitted to three (3) arbitrators selected from the national panel of the American Arbitration Association.

t. NON-EMPLOYMENT RELATIONSHIP

The Town and the successful proposer are independent parties. Nothing contained in the Contract shall create, or be construed or deemed as creating, the relationships of principal and agent, partnership, joint venture, employer and employee, and/or any relationship other than that of independent parties contracting with each other solely for the purpose of carrying out the terms and conditions of the Contract. The successful proposer understands and agrees that it is not entitled to employee benefits, including but not limited to workers compensation and employment insurance coverage, and disability. The successful proposer shall be solely responsible for any applicable taxes.

u. TERMINATION

In the event of a substantial breach or default of any of the terms of this contract by the Contractor or any subcontractor, the owner may serve written notice upon the Contractor and the surety of its intention to terminate the contract. Such notice shall contain the reason(s) for the proposed action and shall state a period of not less than five (5) working

days within which the cause for termination must be removed or remedied. Absent such acceptable remedial action, the owner shall terminate the contract and immediately serve notice thereof to the Contractor and the surety. The surety will have the right to take over and perform the contract. However, if the surety fails to commence effective performance within ten (10) days of notice of the termination, the owner may take over the work and perform same by contract or otherwise and prosecute same to completion at the expense of the terminated Contractor, who with his surety shall be liable to the owner for any excess cost resulting from the termination action.

**GENERAL CONDITIONS**

**I PURPOSE**

The purpose of this contract is to secure the timely and effective collection and disposal of municipal solid waste from all Ledyard residences, including multi-unit dwellings of up to four residences, condominium complexes, and selected Town buildings and facilities, all in accordance with the conditions and terms contained in this specification and the advertisement for bids. The period of the contract will be from July 1, 2019 until June 30, 2022, with an option to renew for the period July 1, 2022 until June 30, 2025 at the proposal price, upon the mutual consent of both parties.

The Town is under agreement with the Southeastern Connecticut Regional Resource Recovery Authority (SCRARRA) to deliver all municipal solid waste generated in the Town to the facility stipulated by the Agreement between the Town of Ledyard and SCRARRA. This facility is presently Covanta’s Waste-to-Energy Plant located on Route 12 in Preston.

Recycling is mandatory, the Town of Ledyard has entered into a Single Stream Recyclable Processing Agreement with Willimantic Waste Paper Company to exclusively deliver all recyclable materials collected by its agents to the Willimantic Waste Paper Company Facility at Recycling Way in Willimantic. The Contractor shall thus deliver all recyclable materials collected under this contract accordingly. The Contractor shall not derive any revenue from the collected recyclables except payment for service under this contract.

Any change relative to the Town’s contracts with SCRARRA or Willimantic Waste Paper Company affecting disposal of MSW or Recyclables will be subject to a contract change order for an appropriate adjustment. The number of dwelling units (including condominiums and about 6 small trailer parks) to be served is 5,690 as of February 2019. An increase or decrease exceeding 10% of this number will also be cause for initiation of a contract change order for an appropriate adjustment in the contract price.

A. The following condominium complexes shall be served:

## II DEFINITIONS

### Bulky Waste

The broad category of waste excluding household refuse but including construction debris, oversized furniture and plastics, scrap wood, bagged leaves and grass, scrap appliances, and miscellaneous scrap metal.

### Contract

The Contract which includes this specification.

### Contractor

The accepted bidder who executes the contract, and shall include the agents, officers, employees, and subcontractors of the Contractor.

### Director

Ledyard Director of Public Works.

### Dwelling Unit

A home, rental unit, apartment, condominium, mobile home, or other shelter occupied by a single family or small group as a residence.

### Hazardous Waste

Any waste material which may pose a present or potential hazard to human health or the environment when improperly treated, stored, or transported, disposed of or otherwise mismanaged. Includes hazardous wastes identified in accordance with Section 3001 of the Resource Conservation and Recovery Act of 1976.

### Municipal Solid Waste

Defined by the Connecticut DEEP and is composed of residential and institutional waste which is normally collected by conventional refuse collection vehicles and is acceptable to the SCRRRA-designated disposal facility. Items not acceptable to the SCRRRA-designated disposal facility, due to size or other characteristics, but which would otherwise meet the DEEP definition of Municipal Solid Waste, are excluded from this definition.

### Proposal

A valid bid submitted pursuant to the terms outlined herein.

### Refuse

Material acceptable for removal under the terms of this contract as normal household garbage and recyclables.

### Refuse Properly Left for Collection

All refuse, with recyclables separated, which is contained entirely within the carts provided for its collection.

### SCRRRA-Designated Disposal Facility

The location stipulated in the Municipal Service Agreement between the Town of Ledyard and SCRRRA for the disposal of MSW collected under this contract. This is presently the Covanta Facility in Preston.

### WWP Facility

The Willimantic Waste Paper Company recycling facility located at 185 Recycling Way, Willimantic, CT.

### III EQUIPMENT

The Contractor shall provide and maintain all equipment, including automotive equipment, necessary for carrying out this contract. At least one vehicle shall be available for handling complaints or cleanup service. All collection vehicles shall be thoroughly clean and washed at regular intervals. Town facilities are not available for washing the Contractor's equipment. Each vehicle shall carry a shovel and broom at all times to handle spills or dropped material.

All collection vehicles and equipment including chassis, drive train, hydraulic system, controls, and body shall be in reliable condition before starting work and shall be maintained as such throughout the life of the contract. All vehicles shall be painted and marked uniformly and shall present a neat and orderly appearance at all times. Equipment transporting material to the SCRRRA-designated disposal and WWP facilities must meet any standards promulgated by that activity. The Contractor must be able to provide backup equipment to replace any breakdowns which exceed three (3) hour's duration.

### IV TIPPING FEES

Tipping fees will be billed to and paid by the Town of Ledyard for materials collected under this contract within the Town boundaries. Any attempt by the Contractor to include material collected from outside Ledyard is a serious violation of the contract and shall constitute grounds for immediate investigation and possible termination of the contract by the Town for default.

Additionally, material collected through commercial activity within the Town of Ledyard is subject to the provisions of Town Ordinance No 86. Tipping fees for commercial waste generated in Ledyard and delivered to the SCRRRA-designated disposal facility are paid by the Town of Ledyard and are subject to the backcharge provisions of said ordinance. Any attempt by the Contractor to include commercial material in waste from Ledyard delivered to the SCRRRA-designated disposal facility is a serious violation of the contract and shall constitute grounds for investigation and possible immediate termination of the contract by the Town for default.

## TECHNICAL SPECIFICATIONS

### I SCOPE

The intent of this specification is to describe the services required to obtain the clean, courteous, well-scheduled curbside collection of municipal solid waste and designated recyclables from the Town of Ledyard and the disposal of the material at designated locations commencing on or about July 1, 2019. Any changes or deviations from this scope or the price of the contract shall be submitted by the Contractor to the Town in the form of a contract change order delineating the change and the monetary effect desired. If approved by the Mayor, a formal change order will be prepared. If warranted, a written notice to proceed may be issued by the Public Works Director prior to issuance of the formal change order, but no work shall proceed without such directive.

### II DESCRIPTION OF WORK

A. General Provisions: Weekly collection of municipal solid waste generated by residents and designated Town facilities as identified in this specification and the delivery of that waste to the SCRRA-designated disposal facility or the Ledyard Transfer Station as directed; also, the biweekly collection of recyclables in a single stream and the delivery of recyclables to the WWP Facility. The Contractor shall collect recyclable materials as delineated by the Town. The Contractor shall provide a bid alternative for weekly service for both MSW and recyclables. The Contractor may also provide a bid alternative for fully automated service for an alternate contract period.

As of February 2019, there are 5,690 dwelling units (including condominiums and about 6 small trailer parks) which will require service under this contract, in addition to the designated Town facilities. The Contractor shall collect all municipal solid waste, and recyclables, from these locations, and any units which will be constructed during the term of the contract. Retail, commercial and/or industrial establishments, churches and non-profit organizations, existing or to be built, are excluded from this contract.

During the contract period it can be expected that some new dwelling units will be constructed, and some old ones demolished. The Contractor will be required to service the new units upon occupancy; construction debris will be the builder's responsibility. Should the number of locations increase more than ten percent (10%) or decrease more than two percent (2%) during the contract, or mutually agreeable extension thereof, a change order shall be initiated for an appropriate adjustment in the contract price in the direction of the change.

Except as otherwise noted in this specification, all collections shall be made at the curb of the public right of way serving the unit. Collections shall be made by the Contractor in accordance with the approved schedule. No waste shall be left on the ground or around the containers through the Contractor's fault.

The Contractor shall provide an allowance of service for one hundred (100) extra recycling carts at no extra charge to the Town. The Town will pay a monthly service charge for any additional carts beyond one hundred (100).

B. Automated Collection Requirements: Fully automated collection service shall be provided, as follows.

1. General: Unless otherwise arranged in accordance with stipulations below, fully automated collection shall be provided through the use of rolling carts. Each dwelling unit shall be eligible for and provided with a set of 95-gallon carts, one for MSW and one for recyclables. Alternately, residents may request and shall be supplied with 65-gallon carts in lieu of one or both of their carts.
2. Start-Up: The Contractor shall be responsible for supplying, at the Contractor's expense, the appropriate number of rolling carts to be delivered to the roughly 5,700 dwelling units presently receiving Town service under this contract. Additionally, the Contractor shall deliver to the Town ten (10) each of the two sizes of trash and recycling carts and shall maintain an inventory of these carts from which the Town may have its supply replenished upon request.

The Contractor shall deliver a set of carts to each dwelling unit according to records provided by the Town of Ledyard. Cart delivery shall take place in close coordination with the Town. The delivery of new carts to residents must be done promptly and efficiently. Based on the number of units that need to be delivered, we estimate that it will take approximately 2 weeks to distribute carts to residents.

Carts delivery shall be completed by at least one (1) week ahead of the first week of service under this contract. The Contractor shall provide the Town with a delivery plan to review and approve prior to cart distribution.

A detailed record in the form of an Excel spreadsheet shall be assembled providing cart assignment data by dwelling unit. This record shall include cart serial numbers for tracking and to confirm each dwelling receives the appropriate size and number of carts. An electronic copy of this spreadsheet and any other relevant data shall be delivered to the Town upon completion of the initial delivery process.

When each cart or set of rolling carts is delivered, the Contractor shall provide handout(s) containing pertinent information pertaining to service. The information shall include proper cart placement instructions, holiday schedule, a list of acceptable recyclable material, bulky waste collection guidelines, and pertinent contact information. The Town of Ledyard will approve the handouts before they are distributed to residents.

The Town will supply records indicating which dwelling units presently utilize the 65-gallon carts. The Contractor shall deliver 65-gallon carts to those units. The Town shall handle any requests for changes from residents and coordinate switching out of carts with the Contractor.

3. Cart Management: After start-up and resolution of start-up-related cart delivery and assignment issues, the Town of Ledyard will directly handle physical delivery and retrieval of carts. The Contractor shall provide carts for the Town to maintain an inventory for such matters according to the Town's requirements and requests. The

Town will coordinate such activity with the Contractor. All carts delivered to the Town by the Contractor shall be clean, presentable, and in full working order. Carts shall have a nominal warranty of 10 years and manufacturer's defects shall be covered.

The Town will pay the Contractor the replacement cost of carts that need to be replaced due to loss, theft, of neglect. The Contractor shall bear the cost of any carts needing to be replaced because of their actions, and the Town of Ledyard residents shall always be given the benefit of the doubt in such cases.

4. Cart Use: Residents must use the provided carts (authorized carts) to receive automated trash and recycling collection service under this contract. The Contractor shall at no time, unless specifically directed by the Town, service unauthorized carts. Drivers are not required to leave their vehicles to accomplish collection, except in discretionary cases where carts may have been inadvertently displaced or tipped-over and need to be reset for servicing.
5. Global Positioning System and Electronic Service Data Collection and Management: The Contractor shall outfit and use global position systems (GPS) in each collection vehicle used to provide automated service to the Town of Ledyard. The GPS system shall work in conjunction with a well-established computer application program that will provide real-time tracking data on locations and allow tracking of service progress and problems.

The GPS and computer-based tracking system shall be used to create at a minimum a log of each vehicle route, stops, and speed. This system shall provide a time-stamped record of stops along the routes, and thus can be used in missed pick-up complaint responses and service verification. This system shall allow drivers, with the touch of a button, to record houses where no carts have been set out for collection and other pertinent service-related information. Temporary loss of this tracking service shall not negate the ability of the Contractor to provide automated collection service.

For purposes enforcement of residents' proper compliance with the Town's waste management and service requirements, the Contractor shall supply the Town upon request with routine data that may be collected. The Contractor shall also comply with Town requests to collect particular data for enforcement and other actions associated with the collection of waste.

- C. Private Park Provisions: This Contract shall provide for the collection of waste at the curbside (i.e., the volume of refuse) and disposal at the SCRRA-designated disposal facility for all dwelling units covered by this contract. Any other arrangements for collection of waste and provision of containers to afford a more convenient manner of collection shall be a matter of private negotiation between each individual unit or condominium association and the Contractor. The costs of enhanced service to individual units and condominiums shall be borne by each respective individual or condominium association as negotiated with the Contractor.

Collection of waste at individual units within private trailer park/retirement complexes via private roads shall not be considered a special arrangement warranting additional costs. The following trailer parks/retirement complexes qualify for the above dispensation:

<u>Complex</u>	<u>Units</u>	<u>Address</u>	<u>Mail-A-Map Location</u>
Stone Gate	80*	10 Flintlock Rd	E-8
Grandview	36	1010 Long Cover Rd	G-2
Rocky Knoll	11	932 Long Cove Rd	F-2
Ledgewood	11	967 Long Cove Rd	F-2
(No Name)	5	800 Long Cove Rd	F-3

\*Full build-out quantity; presently, 43 units are built and occupied.

### III MISCELLANEOUS CONTRACTOR RESPONSIBILITIES

In addition to the responsibilities stipulated in this contract, the Contractor shall comply with:

- a) All Federal and State Laws, Rules and Regulations pertaining to Social Security, Unemployment Compensation and OSHA.
- b) All Rules and Regulations of the Town and State.

The Contractor shall not operate collection vehicles in such a manner as to impede or endanger traffic. The Contractor shall not use privately owned containers for the purpose of combining loads from adjacent dwelling units. The Contractor shall report to the Town those observed instances of contract violation, especially chronic situations of non-compliance. The Contractor shall supply any related pictures, if available.

The Contractor shall exercise due care in use of vehicles and handling of containers. The Contractor shall be responsible for any damage to property caused by his agents or vehicles in the execution of this contract. Such damage will be repaired within ten (10) days of written notice of his liability by the Town. If the Contractor fails to repair the damaged property within this period, the Town will deduct the cost of the repair or replacement from a subsequent monthly payment due the Contractor.

### IV COLLECTION SCHEDULE

MSW shall be collected weekly. Recyclables shall be collected biweekly (i.e., every other week); recyclables shall be commingled in a single stream for delivery to the WWP Facility.

The hours of collection shall be between 6:00 a.m. and 4:00 p.m. No exceptions will be permitted without the specific permission of the Director or Mayor's office. No collections will be permitted on Sunday. Municipal collections will be daily, Monday through Friday, or weekly as per schedule.

The contractor shall make every attempt to maintain the existing collection schedule and geographic collection polygons. The collection schedule will be as established by the Public Works Director (see Attachment A); any desired changes to the current schedule shall be approved by the Public Works Director.

The collection schedule shall normally be on a five (5) day per week basis, Monday through Friday. When a holiday falls during that period, make-up collection for the affected route shall be on the next day; collection for all other following days for the affected week shall also be delayed one day through Saturday. Make-up for a Friday holiday shall be on Saturday. The Contractor shall post notification of collection delays via their website and any other means suitable to maximizing public disclosure. For purposes of this contract, the following days will be considered holidays:

New Year's Day	July Fourth	Thanksgiving Day
Memorial Day	Labor Day	Christmas Day

Cancellations authorized by the Mayor for emergencies, or especially inclement weather, will be treated as holidays for scheduling purposes. Should such emergencies incur additional expenses for the Contractor, reimbursement may be sought through the Contract Change provisions.

Collection of bulky metals, leaves, etc., shall be on a designated day to be mutually agreed between the Town and the Contractor. The Contractor shall make the pick-up available regardless of the total number of pick-ups requested.

## V COLLECTION ROUTES

The collection routes are established (Attachment B). For bidding purposes, the current routes shall be considered. Should the Contractor subsequently desire to change the approved route and/or schedule, written approval of the Director will be required. Prior to effecting the change, the Contractor will be obliged to advertise the change in a manner satisfactory to the Director for a period of not less than thirty (30) days prior to it becoming effective.

If the Contractor collects a route on a day not scheduled for that route, he may be required to redo the route on Saturday without compensation. Delays in collection occasioned by inclement weather must be approved by the Mayor's office. If the Contractor fails to observe the established schedule for more than two (2) consecutive working days, the Town may serve notice either personally or by affixing notice to the Contractor's premises or place of business, that the Contractor is in default and may take such steps as are necessary to provide service according to the previously approved schedule. The Contractor and/or his surety shall be liable for any costs of such steps over the cost of this contract and shall receive no compensation under the contract from the date of notice of the default.

## VI COLLECTION DISPOSAL

Municipal solid waste shall be delivered to the SCRRRA-designated disposal facility. The Contractor shall become familiar with the regulations of that facility and shall abide by them. All materials shall be weighed before depositing and must contain only material collected under this contract. No material shall be delivered which is not acceptable to that facility.

Recyclables shall be collected and/or commingled in a single stream and delivered to the WWP Facility. Recyclables collected under this contract must be handled and disposed of in a fashion that meets the requirements of Ledyard's agreement with Willimantic Waste Paper Company. Inasmuch as the Town of Ledyard receives revenue under this agreement, deviation from this requirement is a serious violation of the contract and may constitute grounds for immediate termination of the contract by the Town for default.

Use of intermediate transfer facilities may be allowed as long as the segregation and accuracy of accounting of all waste and recyclables collected under this contract are not compromised. Any arrangements for use of intermediate collection, staging, or transfer facilities shall be approved in advance by the Director. Intermediate transfer facilities and their use shall fully comply with Connecticut DEEP requirements, including permitting. Bidders proposing use of intermediate facilities shall include all appropriate information in their bid to demonstrate that they are suitable, per the specifications.

Bidders shall ensure that their cost proposals meet and account for all specified requirements for intermediate facilities, if proposed. If accounted for and required by a bidder's cost proposal, use of unsuitable intermediate facilities may disqualify the bid.

## VII CUSTOMER SERVICE

A. GENERAL: The Town places a premium on customer service, toward both staff and residents. The Town expects the Contractor to exhibit standard principles of customer service, including integrity, courtesy, respect, timeliness, attention to detail, communication, responsiveness, and teamwork. The Contractor shall include in the bid submission a thorough description of key assigned staff and their roles in meeting the demands of this Town-wide service and any resources through which information will be conveyed to the Town and the public.

The Contractor shall have a competent supervisor on duty during all collection hours. The Contractor shall provide for spontaneous communication capability for the supervisor to respond to directives and to correct problems which may arise. The Contractor shall provide a local and/or toll-free telephone number for receiving inquiries, complaints, and bulky waste pick-up requests from residents. The Contractor shall provide live response at the provided number during all collection hours.

In all operations, the Contractor shall provide professional, competent, courteous and efficient service to the public. He shall respond immediately, but in no case less than 24 hours, to directives issued by the Mayor or the Public Works Director. Failure to provide this level of service may be grounds for termination of the contract by the Town.

B. COMPLAINTS AND REMEDIES: The Contractor shall be required to receive complaints from the residents, and the Mayor and Director of Public Works or their authorized representatives regarding collection services under this contract. The Contractor shall then arrange to investigate and correct the designated complaints as promptly as possible and reply to the Town. The residents of the Town shall be given the benefit of any doubt that may remain regarding complaints.

In the event the designated complaints are not attended to in a reasonable period of time following notification, the Town shall have the authority to access, as liquidated damages, the sums that are reasonable and acceptable to the Town and/or affected residents. Said liquidated damages shall be deducted from monies due the Contractor on the next billing date. However, the failure to deduct said sum by the Town shall not be considered as, or constitute, a waiver by the Town of any such rights of redress.

C. PUBLIC INFORMATION/NOTIFICATION: From time to time, the Town may have the Contractor distribute flyers which shall be placed in the recycle bins as part of his work. The Contractor shall distribute notices to or otherwise notify any Ledyard households that are not preparing recyclables correctly, including the inclusion of incorrect materials. All notices and flyers will be supplied by the Town of Ledyard or its agent.

## VIII BULKY WASTE COLLECTION AND DISPOSAL

Bulky Waste collection shall be provided on an on-call basis. Residents will make arrangements directly with the Contractor for pick-up. The contractor shall provide live contact to residents during all collection hours and shall provide for residents to leave messages after hours. Arrangements may be made at a time that is mutually convenient, but the service shall be rendered as expeditiously as possible. Residents covered under the refuse provision of this Contract will be allowed two (2) pick-ups per calendar year, in accordance with the eligible items and maximum quantities delineated below. The Contractor shall maintain records to ensure that this limit is not exceeded. The Contractor shall keep a copy of these records for delivery to the Director upon request. Since the initiation of on-call service, rates of collection have averaged about twenty-five (25) pick-ups per week, with more during the Spring through Fall and less during the Winter.

The following items shall be covered under this service:

- Household Furniture (including mattresses)
- Scrap Wood
- White Goods (e.g., appliances)
- Miscellaneous Metals
- Leaves

The following guidelines and limitations shall govern the pick-up and disposal of bulky waste. The Contractor shall follow these guidelines. If the quantity of a particular collection exceeds the specified limits in any category, the affected resident shall be notified, and the collection shall be delayed pending resolution. If the quantity does not exceed two pick-ups, the resident may be offered the choice of being charged for both annual pick-ups, if available. The Town will notify residents of the procedures and limitations associated with the Bulky Waste service.

## PICK-UP

### Furniture.

Maximum of two (2) pieces per pick-up.

### Scrap Wood.

A neat pile of material of five (5) foot maximum length not to exceed three (3) feet high by five (5) feet wide.

### White Goods/Scrap Appliances.

One (1) appliance per pick-up.

### Miscellaneous Metals.

Maximum eight (8) foot length. No limitation on quantity if properly sized.

### Leaves. (service limited to period of November 1<sup>st</sup> through December 31<sup>st</sup>)

Must be in craft (paper) bags. No limitation on quantity if properly bagged.

## DISPOSAL

The Contractor shall exercise some flexibility in the disposal of materials collected under this service; bulky waste materials acceptable to the SCRRRA-designated disposal facility shall be mixed with normal refuse and be disposed of in that fashion. The following guidelines shall govern the disposal of the various bulky waste materials.

### Furniture.

If not disposed of with refuse, delivered to the Ledyard Transfer Station at 889R Colonel Ledyard Highway.

### Scrap Wood.

If not disposed of with refuse, delivered to the Ledyard Transfer Station.

### White Goods.

Must be delivered to the Ledyard Transfer Station. Refrigerators, freezers, and air conditioners shall be placed at a designated staging area for freon evacuation. Other appliances shall be placed in the metal area.

### Miscellaneous Metals.

Must be delivered to the Ledyard Transfer Station and be placed in the metal area.

### Leaves.

Delivered to the Ledyard Transfer Station at the designated staging area.
